

The Music Link

Program Information for Kasson-Mantorville Students

1. Students of any ability level age six and older are welcome.
2. Private, thirty-minute lessons are \$18.00 each and meet once a week. Please arrive promptly for your lessons as students are generally scheduled before and after your timeslot.
3. We are a continuous program September through May. You may register anytime throughout the school year.
4. After your timeslot is scheduled you will need to register online with Kasson-Manorville Community Education. Continuous 8 week sessions run through May.
5. We follow the Kasson-Mantorville Elementary School calendar. If there is no school in Kasson, there are no music lessons on that given day.
6. We have reserved a specific timeslot for you each week. When school is in session, you are charged for that time even if you are unable to attend.
7. If you have a scheduling conflict, please contact your teacher 24 hours in advance. We try to be reasonable with scheduling options, if available.
8. Your teacher will supply a practice record book with weekly assignments. Please take time each week to review your lesson plans.
9. Your music books can be purchased at Schmitt Music in Rochester. Your teacher will let you know what books to purchase at your first lesson.
10. Please communicate directly with your teacher regarding your expectations for your child in this program. Let us know if there are any special needs that we should be made aware of.
11. Students should have an instrument at home (i.e. a piano or keyboard) for practice and progress.
12. We offer a year-end recital in May. Please consider participating in this wonderful performing opportunity.

Professional Teachers, Affordable Rates, and Convenient Neighborhood Locations

Thank you for choosing The Kasson Music Link as your school of music!
