

## **The Music Link**

### ***Program Information for Kasson-Mantorville Students***

1. Students of any ability level age six through adult are welcome.
2. Private, thirty-minute lessons are \$18.00 each and meet once a week. Please arrive promptly for your lessons as students are generally scheduled before and after your timeslot.
3. We are a continuous program September through May. You may register anytime throughout the school year.
4. Confirmation letters will be mailed to your home before the start of lessons. Payment is prepaid at the beginning of each month. Please mail a check and payment coupon to The Music Link.
5. We follow the Kasson-Mantorville calendar. If there is no school in Kasson, there are no music lessons on that given day.
6. We have reserved a specific timeslot for you each week. When school is in session, you are charged for that time even if you are unable to attend.
7. If you have a scheduling conflict, please contact your teacher 24 hours in advance. We try to be reasonable with scheduling options, if available.
8. Your teacher will supply a practice record book with weekly assignments. Please take time each week to review your lesson plans.
9. Your music books can be purchased at Schmitt Music in Rochester.
10. Please communicate directly with your teacher regarding your expectations for your child in this program. Let us know if there are any special needs that we should be made aware of.
11. We ask for a two week notice if you find it is necessary to leave our program before the end of the school year.
12. Students should have an instrument at home (i.e. a piano or keyboard) for practice and progress.
13. We offer a year-end recital in May. Please consider participating in this wonderful performing opportunity.

*Professional Teachers, Affordable Rates, and Convenient Neighborhood Locations*

**Thank you for choosing The Kasson Music Link as your school of music!**
